A NOTE FROM HEAD OF SCHOOL

Dr. Fondon

As we come to the close of Quarter 3, we are reminded of how quickly this school year is passing and how our students continue to flourish—spiritually, academically, and in character. It has been a true blessing to watch their faith deepen, their compassion grow, and their love of learning shine brightly throughout our school. With just one quarter remaining, we look forward to all that is still to come. We wish all our families a safe, restful, and joyful spring break filled with time to recharge and make special memories.

Our Crusaders in 1st–8th grade represented us well at the PSIA Academic Competition! We are thrilled to share that 19 Crusaders are advancing to State in April!

Every single student competed with excellence-not just academically, but with outstanding attitudes and sportsmanship. They truly embodied Calvary's Three R's:

- Reverence for God
- Respect for Others
- Responsibility for Self

PSIA - GREAT JOB!

MIDDLE SCHOOL - ONE ACT PLAY

District Awards

- Olivia Facker - Best Actress
- Mamie Milford- All-Star Cast
- Bridgit Harris - Honorable Mention
- Deklan Mikles - Honorable Mention
- Vivian Vasquez- Honorable Mention
- Wyatt Johnston - All Star Tech

District

Congratulations to our middle school theater cast and crew on an amazing performance of "Wiley and the Hairy Man." The cast and crew earned 2nd in District and are heading to state competition!

STUCO NEWS

Student Council sponsored a Cookies & Coloring Social and all students had a blast!
Thank you STUCO for the sweet treats!

STUCO

Our young Crusaders hit the court with heart, hustle, and teamwork! A huge THANK YOU to Coach Spillane, and parents!

BASKETBALL KINDER - 2ND GRADE

This basketball season has been a great one, with strong performances and solid teamwork from the entire team. A big congratulations to our All-Stars for their outstanding contributions and well-deserved recognition. Your hard work and skill have truly stood out. Well done to everyone for a successful season!

PK3 FIELD TRIP

Big adventures for our littlest Crusaders! Our PK3 students took a ride on the CEP Bus to explore a fire station, check out police cars, and enjoy some fun at the park! Big smiles made for an unforgettable day!

KINDER & FIRST GRADE - UH THEATRE

Our Kindergarten & 1st Grade Crusaders had a fairy tale kind of day! They enjoyed *Little Red Riding Hood* and *The Three Little Pigs*, brought to life by Tennessee Theater Company. The performances were full of laughter, energy, and important lessons our students loved! We wrapped up the day with a picnic lunch at the park — sunshine, smiles, and sweet memories all around.

ALAMO & MISSION SAN JOSE - 4TH GRADE

Our 4th graders loved bringing Texas history to life on their much-anticipated field trip to the Alamo and Mission San José! It was a beautiful day to be a Crusader!

CHRISTIAN CHARACTER

Christian Character Education looks a little different in High School as students learn valuable life skills, while all under the umbrella of Reverence, Respect and Responsibility.

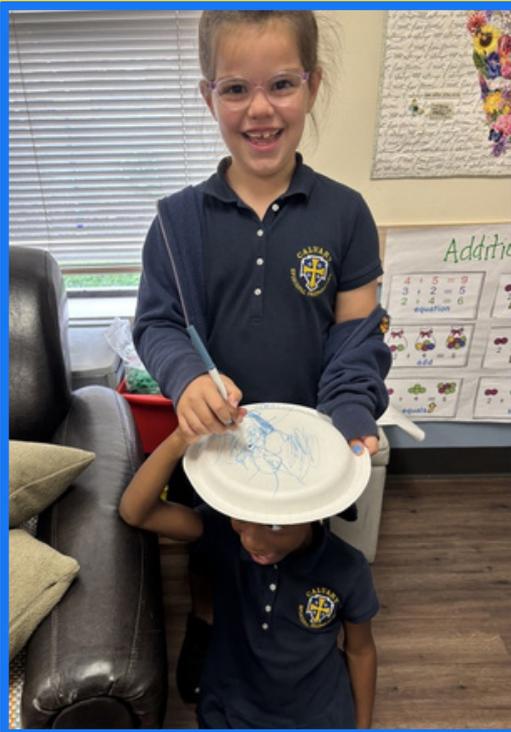

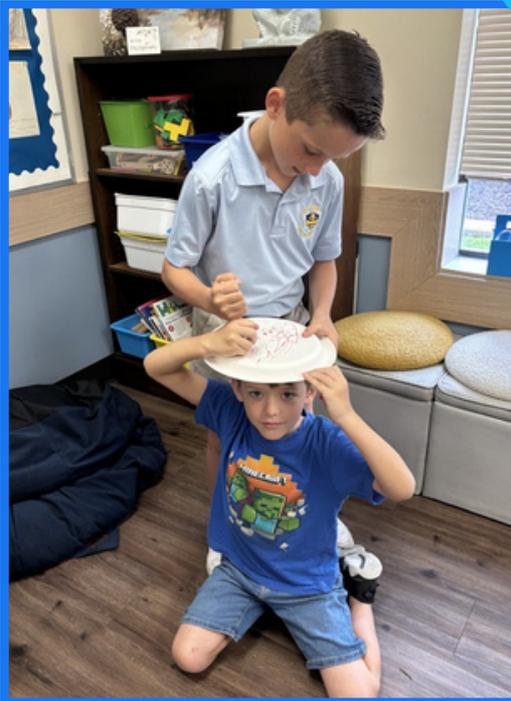

Most recently, high school students have been learning how to safely use power tools, gaining valuable hands-on skills along the way. A special thank you to Mr. Juan Vasquez for his thorough safety lessons and expert guidance. Students put their new skills to work by building two benches for the outdoor picnic area. Naming rights for the benches will be auctioned off at the Havana Night Gala & Auction — don't miss your chance to leave a lasting mark on campus!

CHRISTIAN CHARACTER

First grade Crusaders had a fun and meaningful Christian Character lesson on trusting in God. Students placed a paper plate on top of their heads and tried to draw a picture—while their partner’s hands guided them. Their partner’s hands represented God’s helping hands, reminding them that when we trust in God, He is always there to guide us.

There were lots of laughs, a few silly drawings, and a great lesson learned about faith and trust.

AUTHOR VISIT - Terri Sabol

Our younger Crusaders had a hoot of a time with author Terri Sabol! She shared about her life as a writer, fascinating facts about owls, and led an interactive reading of *The Know It Owl*. In addition, our older students gathered for a special Nourish & Flourish session where Ms. Sabol pulled back the curtain on what it really takes to become an author — from first idea to published book. What a day of creativity, curiosity, and inspiration!

BUILDING READERS

Our Kindergarten Crusaders are on the move and building their reading skills one story at a time. We love seeing them travel around campus, gaining confidence by reading to others. Today, they proudly shared their stories with Nurse Jenny and Officer Harper. What a sweet way to grow as readers!

TODAY A READER...

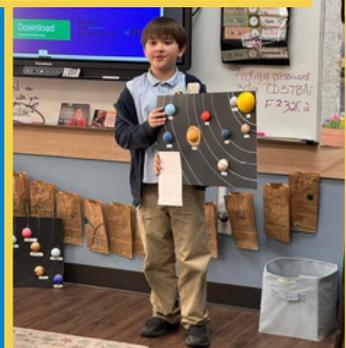

TOMORROW A LEADER

CULTIVATING SPEAKERS

Our 3rd grade Crusaders were shining bright as they presented their solar system projects!

Students shared their solar system presentations and practiced something just as important as science, speaking confidently in front of others. We're cultivating super-star speakers!

We celebrated the 100th day of school in style with a fun-filled parade, exciting performance, and creative activities! From dressing up as 100 year olds to counting, crafting, and dancing, our students made this milestone one to remember. Here's to 100 days of learning, growing, and making memories.

100th Day Parade

W.O.W. RODEO DAY

PK3 through Kindergarten Crusaders enjoy their W.O.W. activities! For the rodeo day, students spent their day panning for gold, delivering mail via the Pony Express, making sensory chili, enjoying horse races, syllable saloon, horseshoes and more! For the frozen day, students had snowball fights, dug for letters in the snow and broke numbers out of ice! Learning made fun!

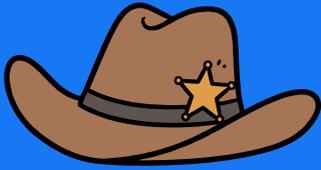

Yeehaw

W.O.W. FROZEN DAY

GO TEXAN DAY

BLACK HISTORY MONTH

Calvary students explored the fascinating stories behind Black History Month, including the invention of potato chips, the traffic light, and prominent Black leaders of our community – discovering how these pivotal moments have shaped our world and while learning the importance of loving and respecting others!

SCIENCE EXPLORATION!

Up, up, and away! Our Physics and Integrated Physics & Chemistry students took learning to new heights at iFLY, where lift, drag, air pressure, and velocity aren't just formulas... they're felt!

7TH GRADE SCIENCE

Hands-on science is even better when it is outdoors! Students explored plate tectonics, learning how subduction zones collide, sink, and eventually lead to volcanic eruptions—all through hands-on labs in the fresh air. Curiosity, teamwork, and a little geological drama made for the perfect learning environment.

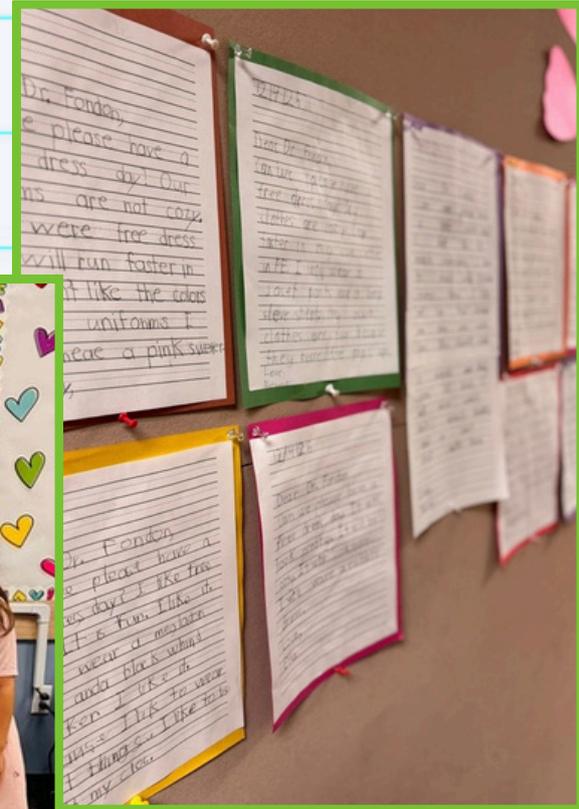

LUNAR NEW YEAR

Joyful Lunar New Year celebration in January! Our youngest Crusaders were immersed in crafts, stories, and a parade to celebrate this festive time of year.

PERSUASIVE WRITING - 1ST GRADE

Our 1st grade Crusaders have been learning about persuasive writings and put their skills to work by writing letters to Dr. Fondon requesting a free dress day. Dr. Fondon was persuaded and approved their request!

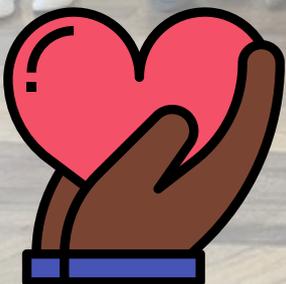

Service Learning

7th grade Crusaders volunteered at Lunches of Love bagging food and packing lunches for food-insecure homes, putting faith into action and love into motion. We love that our students learn how to have a servants heart!

Our Pre-K 4 year old class shared a fun Valentine's Day visit with the local nursing home. They shared flowers and songs with the residents. Watching these young hearts serve with joy is a beautiful reminders that kindness knows no age!

SERVICE LEARNING

Our High School Crusaders spent a service learning day serving at [3LittlePitties](#). Their respect, responsibility, and work ethic did not go unnoticed as they knocked out their projects in record time! We are proud of our students for serving with joyful hearts and making a real difference.

Father Daughter Dance

All the twirls, smiles, and sweet moments at tonight's Father Daughter Dance. Pure joy and memories made!

Love was in the air—and in the pages!

VALENTINE'S DAY BOOK DELIVERY

Our 8th grade Cupids had the sweetest job delivering books for our Valentine's Day Book Club! Families purchased books as a special fundraiser to support our library and help grow a love for reading across campus.

A gift that lasts longer than chocolate... and tells a great story, too!

VALENTINE'S DAY

Our Crusaders celebrated Valentine's Day with sweet friendships and joyful hearts—because loving one another is what we do best

SPIRIT TEAM LOVE

Our Spirit Team brought the love to Calvary with a special performance. Nothing says Valentine's Day like a celebration filled with heart, enthusiasm, and a whole lot of Crusader pride!

ASH WEDNESDAY

We gathered with our CEP family for our Ash Wednesday service, marking the beginning of Lent with reflection, repentance, and renewal.

“Create in me a clean heart, O God, and renew a right spirit within me.” – Psalm 51:10

PEP RALLY

Our pep rally was filled with energy, excitement, and school pride as we celebrated our incredible Crusader athletes! From student and teacher games to loud and proud cheers, the spirit of Calvary was unstoppable.

TEACHER LUNCHEON

Our teachers felt so appreciated and spoiled at the luncheon! Your generosity and thoughtfulness make a world of difference, and we are truly grateful for all you do to support our faculty and staff. Thank you for making Calvary such a special place!
