A NOTE FROM HEAD OF SCHOOL

Greetings Calvary Family,

As we reach the end of the school year and my time at Calvary Episcopal Preparatory, I am deeply grateful to all of our parents for your support, encouragement, and partnership throughout the year. You should be very proud of all your children have accomplished through their hard work, growth, and achievement. I pray that God continues to guide and bless them in all that lies ahead. It has been a true privilege to serve your children and families. Wishing you a safe, fun-filled, and restful summer, and may God's peace remain with you always.

YOUTH IN PHILANTHROPY

This year, six of our Crusaders committed their time and hearts to Youth in Philanthropy, serving others one Saturday each month. We are especially proud to celebrate Donnie and Elliana who were awarded scholarships through the program—a testament to their leadership, service, and character.

STUDENT COUNCIL STATE CONVENTION

Our STUCO officers spent three incredible days at the annual Student Council Convention immersed in inspiring keynote speeches, engaging breakout sessions focused on strengthening their leadership and representation, and participating in the democratic process by casting their votes for new state Student Council leadership alongside peers from across Texas.

They also joined more than 4,000 students from around the state for a memorable evening at Six Flags Fiesta Texas—an opportunity to relax, connect, and celebrate.

Our student leaders return re-energized and motivated, bringing back fresh ideas and a renewed commitment to serve their fellow students, their school, and the broader community.

-OLOGY DAYS

Surrounded by the beauty of the natural world, Crusaders explored ecology firsthand at Long Acres Ranch. Students observed ecosystems, discovered how plants and animals depend on one another, and gained a deeper appreciation for God's incredible design. Experiences like these bring learning to life for our students!

AR PARTY

Foam, inflatable, laughter, and LOTS of fun! Our Crusaders celebrated hitting their reading goals with an awesome foam party and inflatable fun!

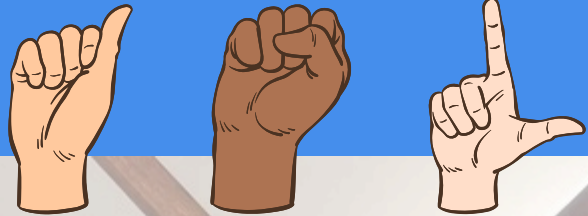

PK4 - PLAY STREET MUSEUM

Our PreK 4 Crusaders had a joyful day at the Play Street Museum followed by a picnic in the park! Even as the rain set in, smiles stayed strong because nothing can dampen a day of fun and learning.

ASL Concert

Our beginner to advanced ASL students filled the sanctuary with expression and heart during their ASL performance. Such a beautiful reminder that communication goes far beyond spoken words. Special recognition goes to Olivia Kocian and Cora Kuperus, our ASL 5 students who interpreted all of the songs and speaking parts for the performance.

3rd Grade Wax Museum

Our 3rd Grade Wax Museum was full of life—literally! Students dressed as famous historical figures, researched their lives, and brought them to life with the push of a button. From authors to athletes, presidents to royalty, these Crusaders amazed us with their creativity, knowledge, and confidence!

6th Grade World Bazaar

The 6th grade World Bazaar was full of culture, food, and fun facts about student-chosen countries. These students worked hard preparing for this fun and educational evening.

7TH GRADE FAMILY HISTORY NIGHT & 8TH GRADE MULTI-GENRE PROJECTS

3rd GRADE - FUNTASTIK LABS

Our 3rd Grade Crusaders had a blast exploring, experimenting, and discovering at Funtastik Labs. Learning comes alive when you can see it, touch it, and experience it!

CAMP

7TH GRADE - CAMP ALLEN

Rain couldn't wash away the spirit of our 7th grade Crusaders at Camp Allen—it only made it stronger. Laughter echoed a little louder, teamwork grew a little deeper, and friendships were strengthened in ways only shared challenges can create.

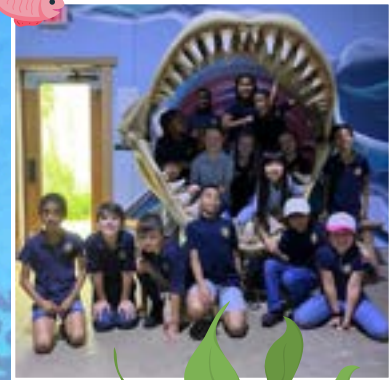

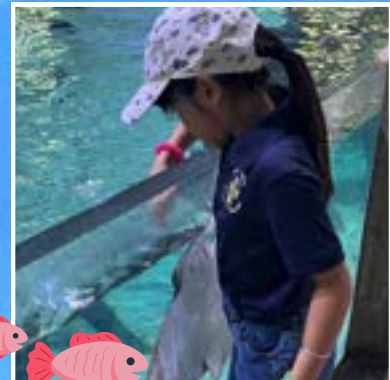

5th Grade USS Lexington

Our 5th grade Crusaders traded their classrooms for the deck of the historic USS Lexington for an unforgettable overnight adventure. Sleeping aboard a real aircraft carrier, sharing laughs with friends, and making memories that will last a lifetime—this is learning beyond the classroom!

2nd Grade Field Trip

Our 2nd grade Crusaders made a splash at the Interactive Aquarium and Animal Preserve! They fed stingrays, birds, an octopus, and even a giraffe! It was a wild, hands-on adventure full of learning, laughter, and unforgettable memories.

PRIMARY SCHOOL OLYMPIC W.O.W. EVENT

Calvary primary students had a blast at their final Olympic Science W.O.W. for the year! Big thanks to our amazing teachers for making learning this fun—where academics and excitement go hand in hand!

Service Learning

Our Kindergarten Crusaders spent the day serving at the Fort Bend Museum weeding, cleaning out flower beds, and planting new life. Through this service project, they're learning what it means to grow as citizens who care for their community. *"Keep planting seeds, you never know what may take root."* ~Ecclesiastes 11

With grateful and humble hearts, our first graders worked hard harvesting and cleaning vegetables from the Calvary Episcopal Church community garden. The fresh veggies will be donated to Richmond-Rosenberg Helping Hands to help feed our neighbors in need. What a beautiful way to end the year! *"Serve one another humbly in love."* — Galatians 5:13

Service Learning

This weekend, our 4th and 5th grade Crusaders put their servant hearts into action as they spent time volunteering with Nery's Promise. This incredible organization is a true safe haven for youth in the Richmond/Rosenberg community, where everyone feels welcomed, valued, and supported. Watching our students step up and serve others was truly special. We're grateful to have been part of such meaningful work!

Our 6th grade Crusaders stepped out in service and into purpose as they spent time volunteering with Helping Hands. With willing hearts and helping hands, students worked together to support those in need—living out what it means to serve others with compassion and humility. Experiences like this go beyond the classroom, shaping character and reminding our students of the impact they can have when they put their faith into action. At Calvary, we don't just talk about serving—we live it.

Helping Hands - 6th Grade

MAUNDY THURSDAY

Our Middle and High School Crusaders experienced a powerful moment of reflection today as our High School Theology students led a special chapel for Maundy Thursday. In a moving expression of faith, students were invited to write down their sins and worries—things weighing on their hearts—and place them into the “blood of Jesus,” symbolizing the cleansing, grace, and redemption we are offered through Him. It was a beautiful reminder that we are not defined by our burdens, but by the love and sacrifice of Christ. Moments like these are what make our community so special—students leading students, pointing one another back to truth, hope, and new life.

Our PreK-4 Crusaders watched in wonder as their butterflies took flight! After caring for their caterpillars and watching them grow for weeks, this day was all about transformation, patience, and a little bit of magic.
